POST STYLE ACCESSORIES

- Bridge/Corner Clips allow uninterrupted access where corner or bridge assemblies are required.
- Post Clamps allow adjoining assemblies to be locked together.
- Tray Slides can be fitted between two wire grid shelves.
- Shelf Dividers available for wire grid shelves.
- Product Stops of up to 3 sides available for ABS shelves.
- Wire Back/Side Ledges attach to wire grid shelves with clips to provide product stops.
- Side/Rear Panels of wire grid mesh are available.
- No.10 Can Modules will fit 450 mm deep frames to accommodate up to 6 cans each.
- Castors may be fitted to the bottom of posts in place of feet. Also rubber buffers are available.
- Post Joiners will allow extension of post height on existing installations.
- Vegetable Baskets made from zinc lacquered wire mesh drop in to frames.
- Wine Modules either bulk or individual modules can be housed in 300 mm or 450 mm shelf assemblies.
- Drop On/Drop In Shelves of solid S/S or Gal can be used in place of ABS shelves on frames. May require additional braces for support.
- Disc Feet may be used instead of standard bullet feet by using threaded inserts in posts.
- Foot Pad may be used on standard bullet Foot.
